

The 52nd International Conference on Electron, Ion,
Photon Beam Technology and Nanofabrication

Portland, Oregon May 27–30, 2008

Affiliates Program

Commercial session

Tuesday, May 27: 2 pm – 9 pm
Wednesday, May 28: 8 am – 1 pm (optional)

Conference attendees have the opportunity to become acquainted with your company and products, meet your representatives, and view company information of all kinds. The setting is informal, with refreshments served. This year we will also have the Welcome Reception in the Commercial Exhibit area from 7:00 to 9:30 pm on Tuesday. It is a terrific opportunity to make new contacts, renew existing ones, and gain valuable exposure in a very active community. Many students attend EIPBN, and welcome the opportunity to connect with possible future employers! Two booth sizes are available:

Standard (10 x 10 feet, one 4 x 8 feet poster, mountings provided)	Cost: \$ 800
Large (10 x 20 feet, two 4 x 8 feet posters, mountings provided)	Cost: \$ 1,100

Reservations can be made using our web site, www.eipbn.org, or by contacting the [Conference Chair](#) or the [Commercial Session Chair](#) (contact information below). Additional rooms are available at the special conference rate by using the hotel registration feature on our web site, or by contacting the hotel directly at 410-385-3000. Please let us know if you require special equipment or arrangements.

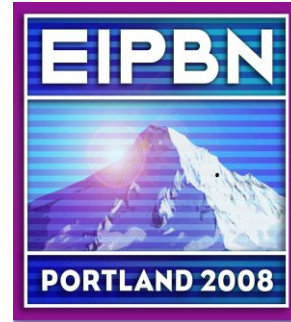

Corporate sponsor

EIPBN has a long tradition of corporate support. Indeed, we rely on the generosity of our corporate affiliates to help us provide a first-rate conference. We will make your corporate name prominent on our web site, in our mailings, and throughout the conference. Contributions are at your discretion, but two special programs are available:

Corporate Sponsor (sponsor a coffee hour or other event)	Donation: \$ 2,500
Corporate Benefactor (sponsor a major conference event)	Donation: \$ 5,000

The 52nd International Conference on Electron, Ion, Photon Beam Technology and Nanofabrication

Portland, Oregon May 27–30, 2008

Student support

It is of paramount importance to get as many students as possible to attend EIPBN. Presenting a conference paper is a momentous occasion for a student – many of us remember our first published paper (perhaps not without some relief, tempered by consternation). Equally important are the broad view and unique perspective EIPBN provides to young professionals. In addition the conference provides a useful job forum, of benefit to students and prospective employers alike. Students receive a special conference rate, made possible by your contribution. EIPBN sponsors a student breakfast, where students have the opportunity to meet with professionals from industry, academia, and government, including prospective employers. All students and student sponsors are invited to the breakfast. The students also provide assistance at the technical sessions, and other conference functions.

Student support

Donation: \$ 2,500

How to enroll

You can enroll in our Affiliates programs using our web site, www.eipbn.org, or by contacting the [Conference Chair](#) or [Program Chair](#) (contact information below). A check drawn to EIPBN 2006 can be mailed directly to the Conference Chair. Alternatively, electronic payment information can be obtained by contacting the Conference Chair. We at EIPBN strongly and enthusiastically encourage your organization to participate in any or all of our Affiliates programs!

Conference Chair

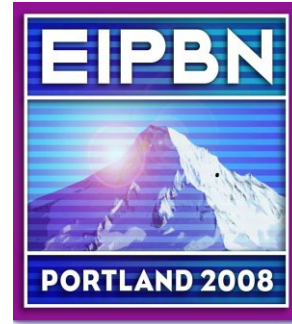

Steven Brueck
Distinguished Prof. of
Electrical and Computer Eng.
Center for High Tech. Mat.
MSC04 2710
University of New Mexico
1313 Goddard SE
Albuquerque, NM 87106
